

A Fusion of the Art and Science of Light

**SPECIFICATIONS :**

**model:** SL FL01  
**primary power:** 120V, 1.0 AMPS, 277V special order  
**compliance:** UL Listed  
**control:** Dimming compatible special order  
**finish:** Clear Anodized Aluminum  
**dimensions:** 4' and 5' standard, 6' and 8' custom  
**date:** February 17, 2009

**FEATURES :**

Streamlites FL (fluorescent) fixtures express an exciting language of hardware that transforms into classic structures supporting energy efficient fluorescent lamps with minimalist sensibility. Streamlites FL fixtures are available in standard T8, 4' or 5' lengths, as well as 6' or 8' custom lengths upon request. Lamps are mounted to an armature with the power supply integrated elegantly into the design. The Streamlites FL luminaire offers unlimited possibilities that are both aesthetically timeless and energy efficient.
